

LED Opal Polo Dome Bulkhead Light - Corridor Light 18W / 24W Surface Mount

£12.90

Decorative LED surface mount luminaire designed to replace conventional 2D CFL fittings with 36% energy savings. This fitting comprises of a high quality RAL White power coated aluminium base with a removable PMMA dome diffuser for uniform, stylish light output of up to 2000lm from a series of high quality Epistar SMD 2835 LEDs.

Rear fixing holes with a central cable exit mean this unit is suitable for both wall or ceiling in a variety of commercial spaces such as stairwells, corridors, walkways and small areas such as bathrooms (zone 3 - IP44) and cupboards.

Further options include dimmable options: DALI (-DL) / 1-10V (-AD) as well as integral 3-hour maintained/non-maintained (M3/NM3) emergency version (SDCBH-XX-EM) with self-test function & LED indicator light as well as built in microwave sensor (SDCBH-XX-MI) for intelligent occupancy control: adjustable lux sensitivity, range (1800 / 0.5m - 8m) and duration (10secs - 5mins).
