£37.50

Anti Climb Spike Collar for Lamp Post CCTV Pole Lighting Column - Vandal Proof Deterrent - Steel Galvanised

Suits 76mm or 89mm columns / shafts

Please Note: Anti-Climb spiked collars are potentially dangerous and must be installed with regard to safety. In any case, they should not be installed at a height of fewer than 2.4 meters from the ground. The display of warning signs is also recommended and may be a legal requirement. Contact with local authorities prior to installation may be required
